Everything will be all right yeah!  
Be all right yeah!

The heart is stronger than you think  
Like it could go through anything  
And even when you think it can't  
It finds a way to still push on through

I'm tellin' you things get better  
If you fall  
Don't you know you can go  
You need to know

If the mind keeps thinking  
you've had enough  
But the heart keeps tellin'  
you don't give up  
Who are we to be questioning  
wondering what is what  
Don't give up  
Through it all just stand up!

It's like we all had better days  
Problems getting all up in your face  
And just because you go through it  
Don't mean it's got to take control no

I'm tellin' you things get better  
If you fall  
Don't you know you can go  
You need to know

If the mind keeps thinking you've had enough  
But the heart keeps tellin' you don't give up  
Who are we to be questioning wondering what is what  
Don't give up  
Through it all just stand up!  
Through it all just stand up!

You aint got to be a prisoner in your mind  
You can live your life  
Let your heart be your guide  
And you will know there is good  
when you trust in the good  
Light up the dark  
when you follow your heart  
Through whatever

Mind has had enough  
Heart says don't give up  
Who are we to be questioning wondering what is what  
Don't give up  
Through it all just stand up!

Mind has had enough  
Heart says don't give up  
Who are we to be questioning wondering what is what  
Don't give up  
Through it all just stand up!

Everything will be all right yea  
Everything will be all right yea  
through it all just stand up!
