

CarePlus NJ Support for Education Heroes

You have revealed true commitment in the face of uncertainty.
We respect your dedication, and we are here to help you heal!

Since the beginning of COVID-19, educators have been challenged to provide high-quality distance learning, while adjusting to life in a global pandemic. CarePlus acknowledges our partners in education throughout Northern NJ.

Many Educators Are Coping With...

- Losses related to COVID-19
- Disconnection from students, colleagues, peers
- Challenges in balancing home and work responsibilities
- Parenting stressors
- Financial concerns
- Uncertainty about the future

The ability to access support in challenging times is a strength!
CarePlus School Based Services team is here to LISTEN and HELP.

Confidential support, expert information and linkage to resources is available, free of charge.
