

MDL Educational Scholarship

The MDL Scholarship Fund was established by the attorneys at Maggiano, DiGirolamo & Lizzi in their desire to support the development of the future legal minds of New Jersey. The scholarship fund is an outgrowth of their three passions; love of the law, dedication to education and support of their community. It is their hope that this scholarship will facilitate access to higher learning, the first step on the worthwhile journey towards a law degree.

The fund will award \$500 to one college bound New Jersey high school student with plans to pursue a legal career.
