

Learning Set 1 - Reflection

Name _____ Date _____ Per _____

How does the performance of your coaster car compare to the performance of other cars? Be specific about the criteria you used for your comparisons.

What about a coaster car's motion do you think you can measure to allow you to compare the motion of one coaster to another?

What needs to be improved about your car's performance?

What do you need to learn more about to improve your car's performance?
