

Supervisory Restructuring

March 2015

Current Supervisory Structure

- Supervisor of Math **7-12**
- Supervisor of Science **7-12**
- Supervisor of Guidance 9-12
- Supervisor of ELA **7-12**
- Supervisor of Business Education, Physical Education and Attendance **7-12**

Supervisory Role Restructured

- Supervisor of STEM, (Math, Science, CTE, Culinary Arts); Grades **6-12**
- Supervisor of Humanities (SS/ELA/Business Education) Grades **6-12**
- Supervisor of Physical Education/Health/Drivers' Education Grades **K-12**
- Supervisor of Fine Arts, Music, Media – Grades **K-12**
- Supervisor of Early Childhood Education – Grades **PK – 3**

Restructuring will provide..

Comprehensive K-12 Supervision in
Art, Music, Media, Physical Education and
Health.

- Benefits students with a K-12 continuum in each school aligned with standards.
- Benefits staff with greater opportunity to plan and collaborate with peers in their content area under the guidance of the supervisor.

Restructuring will provide..

Supervision and support in the **PK-3 Program** especially in Mathematics and Reading as well as Science and Social Studies.

Working with the Director of Curriculum **K-5** to support the Pre-K and Elementary program in all schools for continuity of instruction, materials, and interventions and support services.

Greater support for transition from PK-K, 4th -5th and 8th to 9th .

Restructuring will provide..

Supervision to all content areas and grade levels
without creating new positions.
