Parents/Guardians

The Hackensack School District has converted our school lunch payment system to “MySchoolBucks”. This online payment service provides a quick and easy way to add money to your student’s meal account using a credit/debit card or electronic check. Please note that the prior “PayForIt” system is longer supported as of November 30, 2016.

Registering for your account is easy using your internet browser, enter:

<https://www.MySchoolBucks.com>

Add your child/children using their school name and student identification. Make a payment to your child’s account with your credit/debit card or electronic check. A program fee will apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

If you have a smartphone, you can download the MySchoolBucks Mobile App:
